Dear Kylie & Gavin Robinson

Please find attached the assessment report for any questions or corrections and the invoice and later the web listing should follow.

Exterm-An-Ant

- Product description: pesticide insecticide ant killer ready to use liquid (Borate)
- Product use: for control of ants including in & around food processing areas
- Status - passed renewed AsureQuality assessment cost 1:30 hours - \$255+ GST.

"Passed AsureQuality assessment for food / beverage / dairy farm & factory using spot application away from foodstuffs to prevent food risk from pests & pesticide (& remove to 10M from milk exposure per MPI)" H3546 with conditions. This assessment was prepared by Global Proficiency Ltd using HACCP principles to determine equivalence with food standards listed below. See <http://assessedproducts.asurequality.com>. This supports food Risk Management Programmes & other endorsements that may apply to this product include MPI regulated farm dairy approval, MPI dairy factory endorsement, MPI regulated non-dairy animal product approvals, EPA HSNO-OSH-environment approval (& previously AQIS).

Conditions:

- Used per instructions, legislation, & GMP using spot application away from foodstuffs to prevent food risk from pests & pesticide (& remove to 10M from milk exposure per MPI) Carry-over to food to be avoided.
- The assessment is subject to notification of change and expires on 23/12/2025.
- The full report is attached for supplier review and verification. The assessment is activated by countersigning & inclusion of assessment precautions / assessment statement / MPI dairy precautions statement.
